

Terms and Conditions

YOUR USE OF OUR SERVICES INDICATES YOUR INTENT TO BE BOUND BY THE FOLLOWING TERMS AND CONDITIONS OF USE ("THE AGREEMENT") GOVERNING YOUR USE OF THE SERVICE PROVIDED BY Global Market Exposure Corp.

Global Market Exposure Corp. will provide you with use of Simple Site Themes ("SST"), Featured Property Placement ("FPP") or Search Engine Placement ("SEP") services (collectively, "Services" or generically, "Service"). Your use of such Services shall be deemed to be your agreement to abide by this Agreement, including any materials available on the www.GlobalMarketExposure.com website, including but not limited to GME's privacy and security policies.

Services

Search Engine Placement ("SEP"). If you have purchased SEP Services, GME will position your designated website(s) among the Sponsor Results on the first search results page on the Search Engine(s) and/or Search Engine Network(s) you selected within 10 business days of opening your account, contingent upon your designated website(s) passing the Quality Standards Review(s) imposed by the selected Search Engine(s), such as Google and/or Yahoo. Those reviews consider, but are not limited to: Relevancy; Popularity; Content; Pop Ups; Local Relevance. For the purposes of this agreement, when selecting service on Google, Search Engine Placement (SEP) is defined as Exact Match targeted to Google.com, unless amended in writing. Search engine placement selections involve keyword searches and such searches are subject to availability and GME's approval. Further, you understand that the availability of search terms and website placement are affected by market conditions and as a result may change from time to time. In the event the costs incurred by GME to maintain your current position increases substantially, GME shall offer you the option of: continuing placement at the increased Fees or choosing another position for which the Fees are substantially the same as the Fees you are paying at the time of increase. In the event Fees for maintaining your current position substantially decrease, GME will offer you the option of choosing another keyword search for which the SEP Service Fees seem to offer better value at substantially the same Fees you are paying. Changes in SEP Service Fees shall appear during the billing cycle immediately following the cycle in which the Fees change. In the event that neither a change in keyword search nor a change in monthly fees is a mutually acceptable option GME Corp. reserves the right to terminate service at its sole discretion. If GME Corp. terminates service within a billing cycle you will be refunded the balance remaining for that cycle. You understand and agree that the Quality Standards Review(s) and alliances between independent search engines and the Yahoo! Search Network and Google search engines are not under GME's control.

Simple Site Themes ("SST") Services. If you have purchased SST Services, you will be provided with a selection of website templates and tools from which you can create a semi-custom website for your company which GME will host. GME will enable you to add and edit your own content.

Featured Property Placement ("FPP") Services. If you have purchased FPP Services, you will be provided with a selection of website templates and tools which will allow you to showcase your property listings, position and rotate listings and customize your photo gallery of listings with instant editing.
